Side-Event hosted by ISEA Foundation

Foundation of International Servant leadership Exchange Association
February 16, 2021 (New York time)

Universal Digital Support for COVID-19 Quarantine Products Access Information through Blockchain Finance

Presenter : HRH Henry Sejong **Keonho KIM**

By presenting the direction and practice of the foundation's blockchain technology, we would like to provide a simultaneous key to poverty eradication and well-being through income sharing for Survival Human Rights.

We would like to hold this meeting because the platform that we want to present will help realize Survival Human Rights policies and transparent financial technology.
Speaker 1 : Ms. **Karol Arámbula**
A universal Financial Support Model through Blockchain Technology / Application of Survival Human Rights from young women's perspectives

Speaker 2 : Dr **Mina Ogbanga**
Package Information and Support for Eradicating COVID-19 / Digitalisation of the public education sector as a core response to COVID-19, Experience from Africa

Speaker 3 : Mr. **Sri Trapada Bhowmik**
Digital Model Policy for Smart City in Accordance with Survival Human Rights / The case of India. Wastewater Treatment and Waste Reuse for Smart Cities

Speaker 4 : Ambassador **Emad Tareq Hamad**
Direction of Productivity Sharing between International Trade and Domestic Development

we have to inform you that the side-event requires further approval and is subject to some changes.
